

Home Owner E-Mail Waiver

As a cost-saving measure for the Association, we are asking those Homeowners who are interested in receiving important Association information, meeting notices, financials and other related Association documents, via e-mail rather than through the US Postal Service to complete the information below. Return the completed form to Association Partners Inc.

By completing the form you will not only be helping to keep your Association's administrative costs down, which will in turn help to control assessments, you will also be insuring yourself the most timely information possible regarding your Association. While it is our intent to utilize e-mail as much as possible, it may not be possible to e-mail everything that you are currently receiving by regular mail. In those instances we will continue to mail those few items to you as we currently are doing. Even so, the Association will still benefit from reduced copying and postage costs.

Please complete the information below:
